

SBIR/STTR PROGRAM

The SBIR (Small Business Innovation Research) and STTR (Small Business Technology Transfer) programs help promote technical innovation, commercialization, and cooperative research and development by small businesses nationwide. These programs are the largest source of early stage **STEM R&D** funding in the United States.

ADDITIONAL RESOURCES

Looking for additional resources outside of what Elevate can provide? There are multiple organizations that can help you with SBIR/STTR Funding. See below for a list of a few local organizations and consultants as well as some online resources.

Non-dilutive funding is available from **11 PARTICIPATING FEDERAL AGENCIES** throughout the United States and focus on various technological areas

- 1 Department of Agriculture
- 2 Department of Commerce
- 3 Department of Defense
- 4 Department of Education
- 5 Department of Energy
- 6 Department of Health and Human Services
- 7 Department of Homeland Security
- 8 Department of Transportation
- 9 Environmental Protection Agency
- 10 National Science Foundation
- 11 National Aeronautics and Space Administration
